## Message from the SAHS President

SAHS’s next Annual Dinner / Auction will be on Saturday, April 6<sup>th</sup> at Fox Hills Golf and Banquet Center. This is our largest annual fundraiser. Please ask your family members, friends and neighbors to attend. See Pages 5 and 10.

Also, we will be voting on an amendment to the SAHS By-Laws at the Dinner / Auction. Please see Page 3 for details and be prepared to vote.

We are gearing up for the Trinkets to Treasures Yard Sale, which will be on Saturday, May 18<sup>th</sup>, on the grounds of the Jarvis-Stone School Historic District. This is an opportunity to turn your “no longer wanteds” into cash. See Page 6 for an application for a space at this Yard Sale.

Our Vice President, Marcia Van Fossen, has once again lined up a series of great presentations for 2019. These are listed on Page 4. Also, in 2019 SAHS will continue its Excursions.

This issue continues the series started in 2016 of excerpts from SAHS Publications. See Page 7. These excerpts will show some of the expert research and writing that is contained in the fourteen SAHS Historical Monographs, which can be purchased using the [Publications Order Form](#) on our Website.

Our membership size has been fairly consistent for the last 10 years. The SAHS Board would like to hear your ideas on how we can attract new and younger members to our Society. Please tell or send us all of your ideas on this.

Terry Cwik

# Proposed changes to the Salem Area Historical Society Constitution

## ARTICLE X - QUORUM

This constitution may be amended at any regular meeting by a two-thirds vote of those voting. All proposed amendments shall be submitted in writing at a previous meeting. The quorum to do business shall be the less of one quarter of the membership or twenty members.

The SAHS Board has reviewed this change and recommends the approval of the following change. The "Added text" is in red (**All Nominees .. prior two years**). This will be voted upon by the general membership at the April 6<sup>th</sup> meeting.

## ARTICLE VI – NOMINATIONS AND ELECTIONS

At a business meeting, two months before the annual meeting, a nominating committee shall be appointed. At the next meeting the nominating committee shall present a slate consisting of one or more nominees for each and every office. Nominations may also be made from the floor at this meeting. Nominations from the floor may not be made on the night of the election. **All Nominees must be members of the Society for at least two years prior to their nomination. In addition, all Nominees for President must also fulfill at least two of the following: 1.) Member of the Society for at least the prior five years, 2.) Officer of the Society for at least one year, 3.) Leader of one of the Society's Major Fundraisers (i.e. Dinner/Auction, Yard Sale, Arts & Craft Fair, Barn Dance) for at least one year, and 4.) Attendee of four or more of the Society's General Membership Meetings in each of the prior two years.**

Officers shall be elected at the club's annual meeting. They shall assume their duties immediately following their installation and should have a meeting to plan activities for the coming club year.

Election shall be by secret ballot. Provided, however, in the event there is only one nominee for office, and no nominations from the floor, the secretary may be instructed to cast one ballot for the election of said nominee.

A majority of votes cast for each office shall constitute an election for that office.

All vacancies in elective offices except presidency shall be filled by the president for the unexpired term.

Rational: To assure that the incoming board members have some experience in the activities of the society.

## **Salem Area Historical Society Archive Database Project**

This database is available to you at the South Salem Stone School or online at the "[Archives](#)" page of the SAHS Website. Please go to this page, look at the work that this group has accomplished to date. ## Excerpt from SAHS Publication

Salem Area Historical Society Publication: The Great Salem Train Wreck

By: Donald Riddering

Date: Historical Monograph No. VII 1991

Salem has many claims to fame, but none is greater than its connection with the Salem train wreck of July 20, 1907. This event has been listed in the record books and remains listed as Michigan's worst railroad accident...

It took place, however, not in Salem or even in Salem Township but just across the boundary in Wayne County, on the curve in the tracks between Napier Road crossing and the Five Mile Road crossing in a 10 foot gully known as the Van Sickle cut. ... Salem was the last station which the ill-fated passenger train passed on its way to its doom in the Van Sickle cut. In any case it has become known in railroad history as the Salem Train Wreck.

The newspapers of the time were filled, of course, with reports and eye-witness accounts. The inquest, held later to investigate the reasons for the crash, was also widely reported.

...

The city of Ionia was up early on Saturday, July 20, 1907. About 800 people, from a total population of 6000, were busy with preparations, making lunches, doing last minute chores and hurrying to catch the special excursion train to leave at 6:00 a.m. for Detroit. This was the annual trip of the Pere Marquette shop employees and their families. ... When "all aboard" was called at about 6:00 a.m., the train, eleven passenger coaches long, pulled out of the station on its way to the big city and a chartered boat ride to Belle Isle for the annual picnic. Little did they realize the forces at work to thwart their best-laid plans.

Far across the state, this same morning, in Detroit, The Pere Marquette dispatcher's office was gearing up to arrange clear sailing for this special train. The night operator was telegraphing train orders; the fates were beginning to conspire against the train. At 2:26 a.m. the dispatcher in Detroit Marcus Bonsall telegraphed form 31 train order No. 3 to the night operator in Plymouth, Michigan, Calvin Sayres, a young man of 24 years old. This order gave the times at which the excursion train would pass the stations along the route from Ionia to Detroit. Mr. Sayres copied the order, filed it and passed it along to the day operator, William Cassidy, when he arrived at work. The train order, hand written, listed 13 stations and 13 corresponding times when the train would be at each station: Grand Ledge, 6:55 a.m. and all the stations in between to arrive at Delray (Detroit) at 10:00 a.m. The train order was in two columns, one with the names of stations and the other with the times. The paper itself was unlined with two columns not carefully aligned so that it was not clear which station went with each time.

# Salem Area Historical Society's Twin Fundraising Campaigns

The SAHS Board has approved the launching of Twin Fundraising Campaigns. These are the first Fundraising Campaigns for the Society since the Dickerson Barn Campaign in 2008.

The first Fundraising Campaign is for a **State of Michigan Historical Marker** for the Jarvis Stone School Historic District's major Structures; South Salam Stone School and Dickerson Barn. Salem Area Historical Society is seeking donations to cover the cost of applying for and installing a State of Michigan Historical Marker. The goal of this campaign is **\$6,000**. The current status is \$2,700.

The second Fundraising Campaign is to continue the **SAHS Archive Project** in collaboration with the Eastern Michigan University's Historic Preservation Department. This project began in 2015 and has resulted in the organizing and scanning of over 1700 items, which are available at the South Salem Stone School and on the SAHS Website. SAHS is seeking donations to continue this Archive Project. The goal of this campaign is **\$5,000**. The current status is \$3,600.

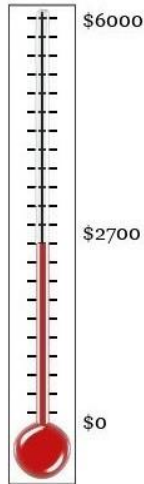

We will continue both campaigns until either their goal is reached or May of 2019.

Donations can be made at the [Salem Area Historical Society's Website](#). The SAHS Website allows for payment via U.S.P.S. mail or PayPal and credit card. Salem Area Historical Society is a 501(c)(3) non-profit organization and your donation could be tax deductible depending upon your filing parameters.
