Message from the SAHS President

Unfortunately, it has been a longer time than usual between editions of the *Spirit of Salem*. However, the good news is that the Salem Area Historical Society is back into its full schedule of events. You can read about the SAHS past events on Pages 3 and 4, and you may have already read about the upcoming events on Page 1.

For the first time in over 17 years, the SAHS election slate did not include Marcia Van Fossen. She decided to pass the torch. It has been my privilege to have Marcia as the Vice President for all of my terms. She has been a reliable and talented resource who put in a lot of effort and time for the SAHS along with being its major donor. THANK YOU especially for always being there for me over the years.

Another set of Thank Yous go out to Sue DiMilia, her Yard Sale volunteers and those that donated items for sale by the SAHS. The Yard Sale started before a heavy rain caused it to be paused and rescheduled two weeks later. All of the volunteers and sellers showed up the second time and had a successful day.

It pleases me greatly to inform you that SAHS has made great progress on our efforts to acquire a State of Michigan Historical Marker for the South Salem Stone School and the Dickerson Barn. Since the idea conception back in 2011, much effort has been expended to get to this point where the Michigan Historic Commission approved both for one side each of a double-sided marker. You can read more about this State of Michigan Historical Marker project on Page 3.

Jo Ann Heyl, who volunteered to be both the SAHS Vice President and the leader of the Arts & Crafts Fair, has been putting a lot of effort into making this year's fair a big success on Saturday, August 20th. Emails have been and will continue to be sent asking for help during the fair, donations for the baskets, and for baked goods to be sold during the fair. If you can help with any of these, please contact Jo Ann at Ghelmet1@aol.com.

Our biggest annual fundraiser has been scheduled for Sunday, October 2nd. Once again, it will be held in the Classic Log Cabin Clubhouse at Fox Hills Golf and Banquet Center. As most things over the last year, the cost to hold this event has risen, so unfortunately, we have had to slightly raise the price of the tickets. However, the buffet dinner has been enhanced to a Multi-Course 2-Entrée Buffet Dinner. See Page 10 for details and a ticket application form. Tickets can also be purchased via the SAHS Website for the [Dinner / Auction](#).

Two new Monographs have been added to the set of publications that are sold by the SAHS. See Page 7 for information about these two new publications as well as an order form for the SAHS Publications. Our publications have captured and preserve much of the history of Salem Township.

We are lining-up our speakers for 2023. If you have any suggestions for speakers or topics, please send them to us at Salem_Area_HS@yahoo.com.

I hope you can join us for some if not all of the remaining SAHS events for 2022.

Terry Cwik

State of Michigan Historical Marker Project

In December 2020, Sue DiMilia completed and submitted Salem Area Historical Society's application for a State of Michigan Historical Marker for the Jarvis Stone School Historic District. The application is for a double-side marker with one side highlighting the South Salem Stone School and the other side highlighting the Dickerson Barn. A response to a request for more information was submitted in November 2021.

At their March 16, 2022 meeting the Michigan Historic Commission approved the marker for the South Salem Stone School and denied one for the Dickerson Barn. Terry Cwik requested reasons for the denial, complied a response and presented the response to the commission at their April 22, 2022 meeting. After submitting more requested information in May, Terry Cwik

attended the commission's June 9, 2022 meeting where they reassessed their previous decision. After some discussion and more questions and answers, the Michigan Historic Commission approved the marker for the Dickerson Barn. The next task is to work with the commission to create the text for the two-sided marker.

The plan is to place State of Michigan Historical Marker in an exhibit area north of the South Salem Stone School and east of the shed. Sue Bejin has designed this exhibit area to include, besides the state historical marker, a flagpole, a replica belfry for the school bell, and fieldstone seating. Donations to support the completion of this project can be made [online](#) or by using the last page of this newsletter.

Does History Have Your Number? - Find out at the Exhibit at the Museum on Main Street in Ann Arbor. A number is a mathematical object used to count, measure, label and identify. They tell us how things work, where to go, when and how to get there – if you know where to look and how to read and use them. This fun and family friendly exhibit includes some of the numbers of local history, the history of some numbers and numbers-related activities for kids and adults. There are games and puzzles in the middle room for you to play with, learn from, figure out and challenge your numbers skills. You can take your numbers brain teaser test home, as well the answers...if you need them! The Museum is open on Saturdays and Sundays, 12 noon-4pm and weekdays by appointment.

The Museum on Main Street is at 500 N. Main at the corners of Brakes, E. Kingsley and Main Street. <https://www.washtenawhistory.org/>
