At the end of the SAHS membership Meeting, there will be a presentation by Angela Wyrembelski, an Associate Principal with Quinn Evans and the chief architect on the restoration of Michigan Central Station, on the restoration of Michigan Central Station by Ford Motor Company.

With the last Amtrak train departing Michigan Central Station in 1988, the historic structure stood abandoned for 30 years before Ford Motor Company purchased the building in 2018. Learn about its extraordinary transformation process and how adaptive reuse of the historic station connects Detroit's past to its promising future.
